

## Who are the Jesters?

The New Orleans Jesters are the area's minor league soccer team and top level franchise. As part of the United Soccer League's PDL, elite players are provided the opportunity to develop in professional environments while awaiting their chance to move on to top pro teams in the US and around the world. In 2012, the New Orleans team will once again be a blend of high-level American soccer and international flair, with a dash of New Orleans flavor.

As the largest organization of elite-level soccer leagues on this continent, United Soccer Leagues (USL) is dedicated to growing the sport at the grass-roots level in every community in the US, Canada and the Caribbean. The USL-PDL is the proving ground for players who aspire to reach the highest level, while providing affordable family entertainment. Each of the league's 65 teams play 16 regular season matches. For the 2012 season, the Jesters' eight conference home matches will be played at the recently renovated Pan American Stadium in City Park. The road games will bring the team to cities such as Houston, Austin and El Paso.

Throughout the year, the team will host numerous soccer camps, clinics and community events across the Gulf South. When not playing or coaching, our players and staff will be "kicking back" to the community by visiting local schools and hospitals, donating their time to local community groups and introducing the world's sport to inner city children. The club's focus will be to win on and off of the field, while inspiring the youth of our area to do the same.

## Jesters Soccer Camps

Jesters soccer camps provide young players with the rare opportunity to receive high-level soccer coaching from the New Orleans Jesters players and coaching staff. Each Jesters camp is designed to be a fun learning experience that gives youth players (ages 6 -13) a taste of the professional training experience. Each day includes individual foot skills, technical drills, tactical practices, small-sided games and coached scrimmages. Equally important, the Jesters coaching staff provides your child with lessons in self-discipline, good sportsmanship and respect for others and for the game.

All Jesters campers will receive:

- ◆ Jesters T-Shirt
- ◆ Jesters Game Tickets
- ◆ Kids Court Membership
- ◆ Chances to win Jesters Autographed Gear

## NOLA Soccer Academy

The Jesters now provide year-round youth training programs through its non-profit organization, NOLA Soccer Academy. NSA provides a pyramid structure that caters to a player's development from the age of 4 - 23 years. The NSA program focuses on 'phases' of development and age appropriate curriculums. It will offer players an opportunity to graduate through our School of Excellence, Pre-Elite, Elite and PDL levels. NSA is the only local option providing a full developmental pyramid, a system similar to the one's used by the top soccer clubs around the world. Please visit the Jesters website for more information.
